## Store Your Vehicle

For those of us that take pride in our vehicles being a collectors item to a weekend project car, our weather proof vehicular storage container is for you. Large container doors open up allowing for quick vehicular access, and is locked up with ease. A large sliding barn door creates an exit for the driver and allows full mobility of car doors to avoid any potential dings or dents. The end opposite the container doors has a little work station fitted with standard tool box like cabinets and drawers. The following is a list of features that come standard and a list of some custom upgrades.

- ▶ Water Tight Re-purposed Shipping Container
- ▶ Removable Entrance Ramp
- ▶ AC unit (window unit or mini split)
- ▶ Tool boxes with work station

- ▶ Large Sliding Barn Door
- ▶ Solar Powered Units/ Lighting
- ▶ Electrical Connections

### Upgrades:

- ▶ Custom Storage and Work Station
- ▶ Garage Flooring
- ▶ Optional Steel Roof Structures
- ▶ Optional Fenced or Unfenced Front Patio

We can accommodate any other custom design features.
