A New Meaning to Home Office

Have the luxuries of a fully operable office, at the whim of you fingertips. Designed with the concept of re-using and re-purposing existing shipping containers this portable command center offers a unique solution to the ever changing world to the face of business. Each office is equipped with the following amenities, and can be customized with upgrades to fit anyones personal needs.

- ▶ Water Tight Re-purposed Shipping Container
- ▶ Large Storefront Windows
- ▶ AC unit (window unit or mini split)
- ▶ 1 Functional Bathroom and Sink
- ▶ Beautifully Finished Interiors
- ▶ Solar Powered Units
- ▶ Turnkey Finishes

Upgrades:

- ▶ Optional Furnishings
- ▶ Wood Flooring
- ▶ Optional Steel Roof Covering
- ▶ Optional Fenced Front Patio

We can accommodate any other custom design features.
